5 Minute Preview – Work Around

So you want to use a Gizmo from the Explore Learning website, but you find out that you are limited to only a 5 minute preview per day. That's not enough time to explore a topic. To get more time you have three options:

1. Have the School create and pay for an account for each student to use throughout the year.
   (Currently this is not an option at our school)
2. Create your own account and personally pay to use all of the Gizmos on their site.
   (12-month subscription for $149.00)
3. Simply follow the directions on this page to get an **<u>UNLIMITED</u>** number of 5 minute previews per day. (THIS IS THE BEST OPTION FOR YOU!)
