

JOIN THE **BAND**

This year I am **requiring** all students to sign up and use the BAND App. Parents have the option to join but it is not required. BAND is an App that brings the power of mobile social networking to everyday life in a private and secure way. Family, friends, neighbors, classmates, coworkers, and teammates can use social building blocks called “BANDS” for everyday collaboration, knowledge sharing, and group communication on any Smart phone, Tablet, or Computer.

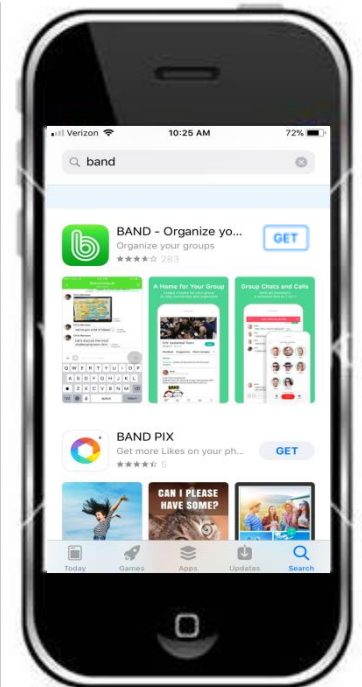

- Download and use the App to Join in seconds or create an account online at <https://band.us/home>
- Works on both iOS and Android systems
- App available for free download.
- **PHONE NUMBERS ARE KEPT PRIVATE** – Easily communicate with Mr. Racchini at school and on field trips without giving away personal information.

MR. RACCHINI'S STUDENTS WILL BE REQUIRE TO JOIN THE FOLLOWING BAND.

24-25 JRac's Science Class: This BAND will be used throughout the year in class and will also serve as your PRIMARY MODE direct line of communication between you and Mr. Racchini.
